ngiger@rivieradayschool.org

Just like that and it's April already! Our spring concert and carnival were a success. Watching the children on stage is always one of my favorite times.

April is packed full of activities. We will have the Wildlife Bird Show, Donuts with Dads, and an Easter egg hunt. There will be a sign-up genius for our Easter egg hunt and special snack. **If you have already volunteered for one of our special events please leave those spots open for parents that have not had a chance to do so.** We will cover our units on farm animals, Spring, butterflies, Easter, bugs/plants and the color yellow. It is a month full of fun projects. We will also be working on the developmental assessments with each child to prepare for our conferences on May 9<sup>th</sup> and 10<sup>th</sup>. There will be more information to come on the conferences. Look for a Sign-Up Genius at the end of April for conference times. Finally, we have a LOT of birthday celebrations before the end of the school year. So that we may include our summer birthdays, we will begin those toward the end of this month. Be sure to check the calendar for your child's celebration day.

## Important Dates:

- 4/9 **Wear Yellow**
- 4/11 **Spirit Day (wear RDS shirt)**
