Easter is coming

Dates to Remember

I can't believe there are only 7 weeks of school remaining. This month we will be finishing up the letters W, X, Y, & Z, the color yellow, and the numbers 9 & 10. We will also begin reviewing all letters, shapes, colors, & numbers 1-10, until the school year comes to a close.

This month I will begin student evaluations in preparation for our parent/teacher conferences in May. During center time I will pull children aside to conduct this one-on-one assessment without distractions. I also hope to do some after carline for those who stay for Afternoon Adventures. I may also ask other children to stay after and be picked up around 12:30pm. If this is something you might be able to work into your schedule, please let me know. I am confident the class is grasping so many of the literacy, cognitive, developmental and motor skills needed to succeed next year.

Finally, we are celebrating Easter! Our party will be MONDAY, April 22nd. Each child will need to bring in **6 filled plastic eggs—NO CHOCOLATE (and a bag or basket to use)** for our Easter Egg Hunt. We will have this on the playground just after drop off. (PLEASE ARRIVE ON TIME, so we can enjoy our hunt without rushing to get off the playground). We will need a couple of parents to help hide the eggs. If you can assist, please let me know! A sign-up genius will be sent out for our special Easter snack soon!
