

April News

For

Ms. Moore's Extended Day Class

2019

Dear Moms and Dads,

April is another beautiful month filled with the gifts of **New Life** from **God**. **Metamorphosis** will be the term we explore, with all its various stages! Be sure to inquire about the most fragile of God's creatures!

Other areas to explore will be Letter Recognition/ Beginning Sounds "Tt", "Uu", "Vv", "Ww", and "Xx". **Popcorn Words and Word Families** will be introduced as well as a review of beginning sounds. **Shapes** will be reviewed through recognition as well as drawing them. **Numbers** will be recognized up to 20 as we hop our way around number pads, count various items, and play Number Bingo! Writing our first and last name will be on our agenda! How can we be a friend to our **Earth**? We will explore ways to be that friend.

I hope you and your little ones are ready to continue the rest of our time together while enjoying the development of your child and excitement in seeing what more he/she will discover!

Bear Hugs and 1-2-3's!

Brenda
